🪪 PROFILE

I am an ambitious computer science student eager to grow in the IT field. I combine theoretical knowledge with practical application, effectively utilizing my skills in various projects.
I am characterized by meticulousness, logical thinking, and a passion for problem-solving.
I am keen to learn from experienced professionals and actively engage in challenging projects, believing that my analytical skills
and commitment will be a valuable asset to any team.

🎓 EDUCATION

Bachelor of Engineering in Computer Science
Vistula University of Finance and Business
2022 – present | Warsaw
Student status: Ongoing

🌐 LANGUAGES

English — Fluent
IELTS Certificate – Level B2 (CEFR)

German — Conversational

Japanese — Basic

🎸 INTERESTS

Culinary Arts
I have a strong interest in culinary arts, particularly cooking and baking. I enjoy experimenting with recipes, combining different ingredients, and testing new flavors. I feel comfortable in the kitchen—preparing both simple everyday meals and more demanding baked goods. For me, cooking is not only a pleasure but also a way to continuously develop my skills and creativity.
